The principal activity of the company is the production and promotion of publishing by and with children for distribution to a wider audience. The Company is limited by guarantee not having a share capital.

Review of the business

There has been no significant change in these activities during the financial year ended 31 December 2019.

Principal risks and uncertainties

The directors are closely monitoring the risks and uncertainties associated with the Covid 19 pandemic. Kids Own Publishing Partnership Company CLG is still operating as normal and has already acted to realign its projects by its artists and children remotely online. All employees are working remotely with the artists and children involved in current projects. It's anticipated that all projects will be completed by the end of 2020. The impact of the virus may present risks and uncertainties on future funding of projects which cannot be quantified at the time of approving the financial statements. Kids Own Publishing Partnership Company CLG has adequate financial reserves to manage the financial impact of Covid 19 in 2020. This is the last year of funding from the Paul Hamlyn Foundation (UK) for 2020 of £97,000. These monies were paid in advance in 2019 for 2020. The aim is to secure funds from other grant bodies to replace this income from Paul Hamlyn Foundation (UK) in 2021 and beyond. The funding from the Arts in Education Portal and all related activities is secure until 2022.

Financial Results

The surplus for the financial year after providing for depreciation amounted to €7,962 (2018 - €14,346).

At the end of the financial year, the company has assets of €183,172 (2018 - €86,597) and liabilities of €155,433 (2018 - €66,820). The net assets of the company have increased by €7,962.

The secretary who served throughout the financial year was Joanna Holmwood.

In accordance with the Constitution, the directors retire by rotation and, being eligible, offer themselves for re-election.

Future Developments

The company plans to continue its present activities and there is no indication that the Covid 19 pandemic will impact on future state funding. There are medium-term and long-term plans for future projects and, although funding for these is not yet secured, possible funding streams have been identified for many of them. There are also plans to build on the relationship with the Paul Hamlyn Foundation, as well as exploring potential for European funding.

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the Provisions Available for Audits of Small Entities, in the circumstances set out in note 4 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited. The financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report. The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

to the Members of Kids Own Publishing Partnership CLG

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so.

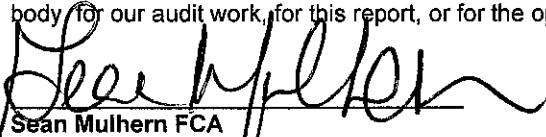

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: [www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description of auditors responsibilities for audit.pdf](http://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf).> The description forms part of our Auditor's Report.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The directors consider the accounting assumptions below to be its significant accounting judgements:

Going Concern

The directors consider it appropriate to prepare the accounts on a going concern basis.

Due to the Covid 19 pandemic, the directors confirm that the company is operating as normal and all employees are working remotely. The majority of the projects are being carried out remotely with the artists and children. The funding from the Arts in Education Portal and all related activities are secure until 2022. The company is in a stable position financially for 2020. As stated in the directors report the cessation of the Paul Hamlyn Foundation (UK) fund will significantly reduce overall funding for 2021 by £97,000. The aim is to secure funds from other grant bodies to replace this income in 2021 and beyond. The company has made applications to various grant bodies and does so on an ongoing basis. The directors and executive are together developing a new strategy for 2021 to 2023, which includes consideration of the company's sustainability and long-term financial sustainability. Other grant funding for 2020 and 2021 is not guaranteed and has to be applied on a project by project basis, the directors and management have the expertise in fundraising and have kept the company solvent through this model and maintained reserves. The directors have considered the impact of the Covid 19 on its finances and its ability to continue as a going concern. The company has sufficient reserves to continue in existence for the foreseeable future and will continue to adopt the going concern basis of accounting in preparing the financial statements.

Impairment of Debtors

The company has trade debtors amounting to €10,022 at 31 December 2019 (€25,831 at 31 December 2018). The directors are of the view that an adequate allowance has been made to reflect the possibility of debtors not being recovered in full.
